

# The Presence of God

## Revealing Himself Through the Holy Spirit

The presence of God is a gift but also a necessity in order to fulfill his will. His presence is everywhere but he is not present in the same way everywhere. God's presence is not meant to be a stunt or thrill but rather to make himself known to us personally for the purpose of blessing, energizing, informing, or warning.

He has provided for the awareness of his presence through the Holy Spirit, we are hardwired to desire God, both believer and unbeliever.

- *The Holy Spirit is a contact point for God's blessing of presence in our life.*
- *The scripture is full of evidence of God's presence in people's lives.*

God makes his presence known first before issuing instruction so we know that we know it comes from God. His presence comes in more than just one way that it fulfills our needs on many levels because we don't always understand what God's vision is at the time he reveals it to us.

The awareness of God's presence causes us to do extraordinary things but outside of his presence we falter because we only have our own understanding to rely on.

If we choose to ignore God's instruction in our life we risk missing a great purpose in our life.

People are unaware of his presence because they don't give him enough time or focus in their lives. We should desire God in our own life. Make him a priority, we should expect it and anticipate his presence. He will never leave you or forsake you.

#### **Proverbs 8:30 KJV**

Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him;

#### **James 4:10 KJV**

Humble yourselves in the sight of the Lord, and he shall lift you up.
